Welcome to Term 2. I hope everyone had a wonderful break and are ready to get back into the swing of things.

This term we are learning about transportation. We are looking at all types of transport from hot air balloons to submarines. If your child has any toy cars, trucks, boats, motorcycles, planes etc. at home, and you wouldn’t mind sending them to school, please label them with your child’s name and send them in. Please send no more than 4 vehicles.

We will continue to work on writing descriptive sentences during reading group activities and Accelerated Literacy tasks, however this term; we will be looking at writing information reports in more detail.

As part of our Visual Arts Program we will be looking at different artist whose art forms are part of the Impressionism period. Last week we replicated an artwork by Jackson Pollock and we will continue to look at some of his other works and skills over the next few weeks.

Last term 1/2 had an optional homework sheet. This term that sheet is not optional but a requirement for homework to be classed as complete. Please assist your child in setting aside time to complete these activities. They are all revision of what we have been doing in class. Also please encourage your child to participate in the Home Reading Program and our Sight Word Program. Both these programs will assist your child in their reading and writing development.

Have a wonderful week.

Mrs Croman
