Class Newsletter Week 2

Hello 5/6 Families

Welcome back to another busy term! I hope everyone has recharged their batteries and are looking forward to the new topics. The Year 5’s are working hard in preparation for our upcoming NAPLAN Test. I wish them all the best.

The first week back saw the introduction to our HSIE unit ‘State and Federal Government’. The students were shown the true meaning of democracy when a few students became our solid decision makers for two days. Many students in 5/6 were confused and upset as to why my teaching style had changed towards them as individuals and questioned why I had sent home a letter to their parents. When it was revealed at the end of the week as to what we were learning; the students were relieved and even commented on how well this lesson was carried out. I thank 5/6 for their dedication and maturity in this class; you are troopers and will forever know the meaning of this word.

I strongly urge parents/caregivers to pay a deposit towards our Canberra camp. If we can hold sufficient numbers then, unfortunately, we will have no choice but to sadly cancel the camp. This excursion is a great opportunity, especially for the Year 6 students. It will greatly consolidate the learning in class and link in with our Science units for Terms 3 and 4.

Our assembly will be held on Thursday we hope to see you there.

If there are any concerns/issues/questions in general, please don’t hesitate to come and see me.

Have a lovely Week

Miss Dunn
